360

online marketplace which makes life easier for scientists, process engineers, facility managers, plant heads and EPC companies.

About W360

Online marketplace for Analytical Testing Equipment, Pollution Abatement Product and Medical Equipment.

LAB INSTRUMENTS

Weather Monitoring Station

Spectrophotometer

Ultrasonic Pulse Velocity Tester

Bod Incubator

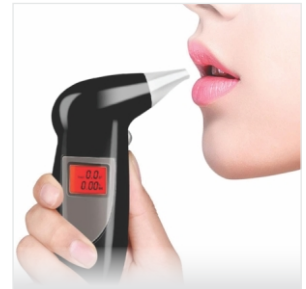

Digital Vernier Caliper

Pink Noise Generator

Digital Micrometer

Alcohol Breath Tester

Laboratory Refrigerator

Turbidity Meter

Laboratory Microscope

Optional Power Meter

LAB INSTRUMENTS

Hot Air Oven

Calibration Weights Box

Analytical Weighing Balance

Muffle Furnace

Vertical Autoclave

Pencil Tester

Sound Level Meter

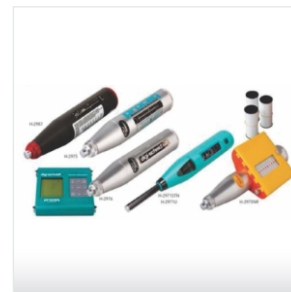

Dust Sampler

PH Meter

Micro Pipette

Rebound Hammer

Digital Thermo Hygrometer

CALIBRATION

Bomb Calorimeter

Coloy Counter

Jar Test Apparatus

Hot Plate

Viscometer

Laminar Air Flow

Humidity Chamber

Cube Mould

Gas Chromatography

Biosafety Cabinet

Water Bath

Deep Freezer

WASTE & WASTE WATER TREATMENT

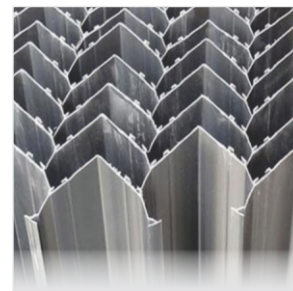

Ultra Filtration

Oil Skimmer

MBBR Media

Tube Settler Media

Filter Press

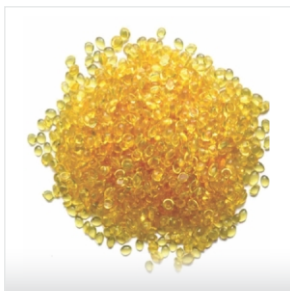

Basket Centrifuge

RO Membrane

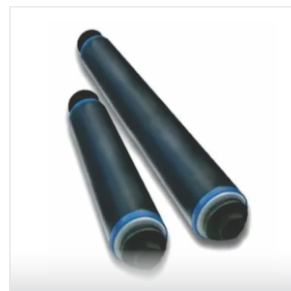

Filter Press Cloth

Resins

Blower

Fine Bubble Diffuser

Filter Cartridge

MEDICAL INSTRUMENTS

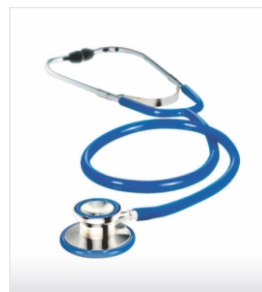

Sphygmomanometer
(BP Machine)

Nebulizer Machine

Otoscope

Medical Stethoscopes

Stretcher

ECG Machine

Wheelchair

Ophthalmoscope

Ultrasound Machine

Refractometer

Why Choose W360 ?

1. Registered in GeM Portal (Govt. e-Market Place).
2. Calibration Services.
3. Consultancy for Lab Setup.
4. Demo/Training Facility for equipment.
5. Supplier for Chromatography Consumables (HPLC Column GC Column SPE Cartridges Syringe Filters Vials etc.)
6. Lab Grade Chemicals, Filter Paper & Filter Paper Sheet.
7. Microbiological Media & CRMs as per ISO 17025 & 17034.
8. Provide viscosity standard (Brookfield, Cannon.)
9. Glassware fabrication as per customer requirement.

Ground Floor, A-3/7, Mayapuri Industrial Area, Phase-II, New Delhi-110064
